

# Tayana Vancouver 42

42'

**A**n exceptional value, the Tayana Vancouver 42 provides outstanding styling, performance, and liveaboard comfort in a yacht as close to custom built as is possible at its price.

The aft-cockpit cruiser has been improved with Robert Harris's design of a trunk cabin version providing a traditional look and a more efficient deck plan. The popular center-cockpit Vancouver 42 has been produced with a variety of interior configurations since 1978 to provide maximum aft-cabin privacy and exceptional storage for the serious offshore cruiser.

The Vancouver 42 features the proven underbody design and discriminating deck and cabin styling that have long marked Tayana yachts worldwide. Craftsmanship is excellent throughout. Designed for serious cruising, these boats sail to weather and track like CCA designs, providing more

comfort, ease of handling, and bluewater cruising capability.

Ta Yang permits Vancouver 42 buyers extraordinary flexibility in customizing the interior of each yacht to accommodate individual needs and tastes. Interiors are finished in attractive spruce with teak trim and with superior quality joinery work for which the Tayana name is renowned. Decks, bulwarks, and cabintops are accented with attractive, warm teak for contemporary styling. The Tayana Vancouver 42s come loaded with no-cost options, which truly make them one of the best yacht values on the market.
