

# Introducing

## THE TEN

THE TEN is an all new 1981 design featuring the latest in the state of the art. Ideal for beginners, excitement for the pros, THE TEN is a full performance design offered as a standard factory production model. It has proven to be extremely fast in light airs and easy to hold down in the heavy air. The full compliment of adjustable sail shape controls enables the beginner to learn and the expert to fine tune for the best in sailing enjoyment. THE TEN is easily car-topped, very light weight, and strong. If you are looking for an ideal junior trainer or high performance, one-person, competition experience, THE TEN deserves your full consideration.
