

Trident Warrior 40

39'

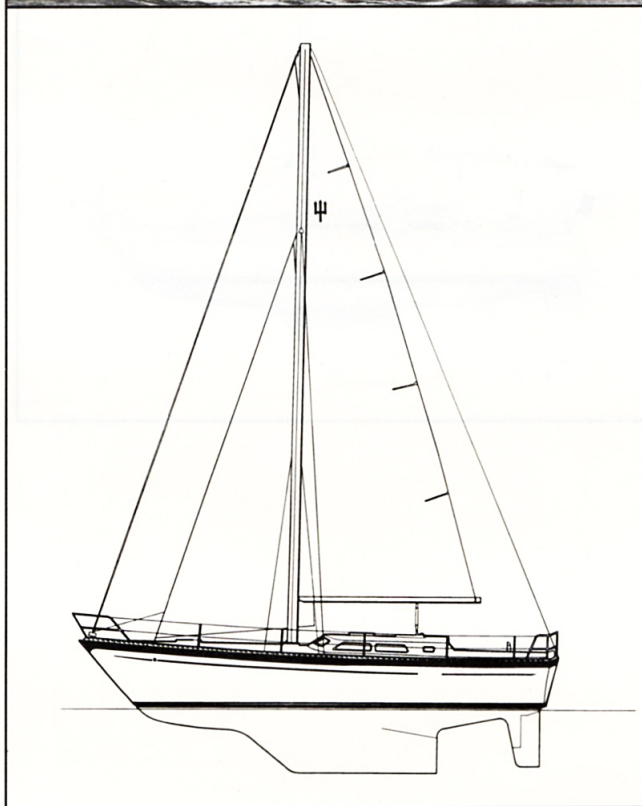

This boat is really an extraordinary boat. Come see her soon. The Warrior gives you the ultimate in performance and habitability, with the added pleasure of having a hand in designing her to meet your particular needs. Trident-Alliance is a British and American semi-custom production team whose boats combine the seaworthiness of small ships built in the North Sea with innovations in habitability and hardware afforded by American technology. You cannot get a better combination of practicality, seaworthiness, comfort, and value than you will in the Trident line.

Headroom is 6'3" in all compartments, with 6'4" in the saloon and galley. There are three choices of layout for the forward cabin, and several options for the after staterooms.

The boat foots well in light and heavy airs. The Warrior's high bow and generous freeboard keep her headed fair in the roughest seas. Over 800 square feet of sail and a 43 horsepower Volvo Saildrive diesel assure mobility in all conditions.

The galley is arranged in a line along the port side; a centerline settee provides safety while keeping the space open at eye level; a slightly raised coachroof with wide portlights brings in light and a feeling of space.

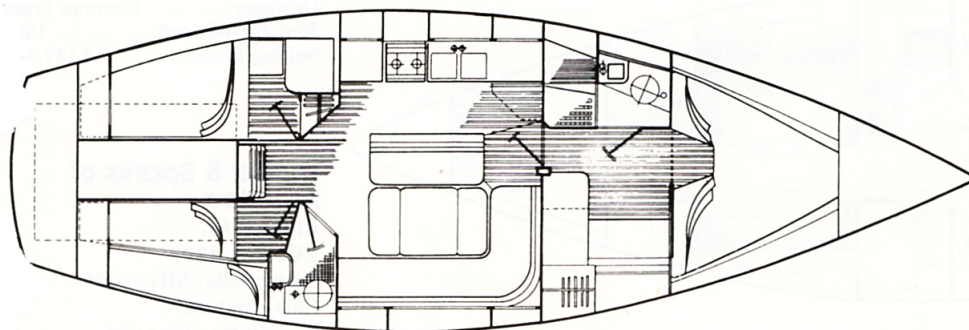

The Warrior is fitted with a full range of the things most people are going to want in a

boat in order to sail her; for example, a full set of sails, Kemp Furler roller-furling jib, an authentic C-Q-R anchor, wheel steering, hot and cold pressure water, and Adler-Barbour refrigeration are among the many features included in the base price.

The boat is a real pleasure. You will be hard pressed to find a similar combination of practicality, seaworthiness, comfort, and value in another boat. Come see the Warrior.

L.O.A.	39' 4"
L.W.L.	31' 3"
Beam	13' 0"
Draft	5' 0"
Ballast	8,250 lbs.
Displacement	18,750 lbs.
Sail Area	824 sq. ft.
Rig Dimensions	
Foretriangle:	
I (Height)	46' 9"
J (Base)	15' 3"
Main:	
P (Luff)	43' 1"
E (Foot)	13' 8"
Rig	Kemp
No. of Berths	7
Water Capacity	150 gal.
Fuel Capacity	50 gal.
Auxiliary	43 H.P.
	Volvo Penta 2003
Sails	Lucas
Winches	Lewmar
Stove	Vanessa
Steering	Whitlock
Blocks	Lewmar
Designer	Bill Lewis
Year Introduced	1988
Selling Price	\$130,000
