

VAGABOND 14

FAST, ROOMY, STABLE. A COMFORTABLE DAYSAILER/RACER YOU CAN AFFORD.

An ideal first boat for the family new to sailing, the Vagabond 14 is also a spirited racer.

Designed after the famous Australian 18 footer. It can beat Lasers and trade wins with Lido 14s. And with far more room and stability.

Astartling 6'2" beam provides power and a spacious cockpit with full length seats.

Low wetted surface and flat run give speed on and off a plane.

Teak splashrails, Harken blocks, Dacron yacht braid, kick-up rudder, hinged mast step, positive flotation, swivel main jam cleat and anodized aluminum spars are standard.

Rainbow colored sails, teak motor mount and much more are options.

The Vagabond 14. Both comfortable and fast—and affordable.
