Sail Area: 629 sq ft

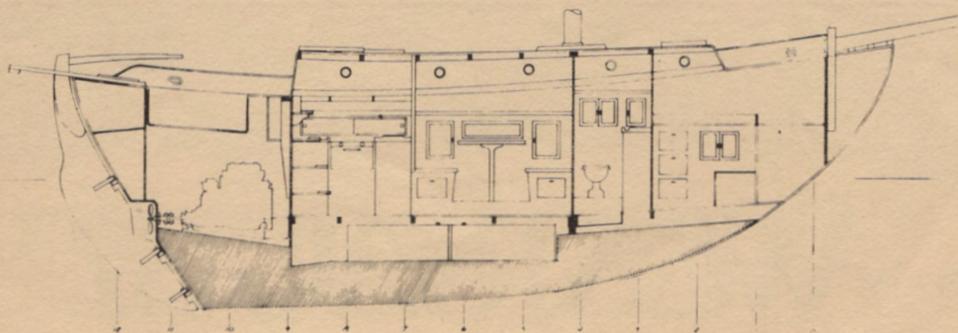

# WESTSAIL 32

A WORLD CRUISER

## DESIGN FEATURES OF THE WESTSAIL 32

- 1) Extra thick fiberglass hull construction, hand layed up:  $\frac{1}{2}$ " at the rail,  $\frac{3}{4}$ " at the bend of the bilge, over 1" in the keel, with exceptionally strong center bond
- 2) Full length keel for stability, balanced helm, ability of boat to go aground
- 3) Exposed super durable rudder for ease of maintenance
- 4) Internal ballast for extra strength
- 5) Heavy duty rub rail protects the UNUSUALLY fair hull surface
- 6) Laminated extra strength tiller
- 7) Fiberglass deck house extra heavily constructed to support mast and low enough to easily see over when seated at helm, even with a dinghy on deck
- 8) Super-strong hull to deck joint
- 9) Heavy duty mast section for extra strength
- 10) Exposed chain plates are  $\frac{1}{4}$ " x 2" stainless steel flat bars and are readily accessible from inside the boat for adjustments
- 11) All stainless steel standing rigging is  $\frac{1}{4}$ " 1 x 19 oversized wire (normal is 3/16 & 7/32) with  $\frac{1}{2}$ " turnbuckles with toggles
- 12) Heavy bronze traditional portlights, all opening; small and strong enough to withstand heavy seas
- 13) Oversized boomkin
- 14) Oversized stainless steel rigging fittings
- 15) Captive engine room bilge
- 16) Removable cockpit for easy accessibility to engine if it ever had to be removed
- 17) Individually removable, easy to stow companionway steps for ready accessibility to man-sized engine room
- 18) 25 HP diesel is STANDARD equipment
- 19) Interior of a 35-40 footer, with 11' beam, 27'6" waterline, and 19,500 pounds displacement
- 20) All interior teak is oversized and hand crafted with rounded corners and full sea rails
- 21) Fully oiled wood interior for easily maintained finish

## WESTSAIL 32 STANDARD EQUIPMENT LIST

WESTSAIL 32, F.O.B. Yard, Costa Mesa, California ..... \$26,950.
