

West sail 28

designed by Herb David

The pride of the oceans . . . a hearty little offshore cruiser perfectly outfitted for 2 or 3 to cruise trouble free around the world or around your favorite anchorage. The new Westsail 28 is a Westsail in every way, yet she's really affordable without committing your whole future . . . just yet . . . to the idea of cruising.

You'll find the usual fine, hand made hardwood interior, cast bronze opening portlights, removable cockpit sole for access to the diesel auxiliary, a beamy hull that really shows her stuff in heavy weather and light air too.

Length	28'3"
Waterline	23'0"
Beam	9'7"
Draft	4'0"
Displacement	9500 lbs.
Ballast	3500 lbs.
Sail area, working sails	480 sq. ft.
