

OFFICIAL U.S. NAVY PHOTOGRAPH

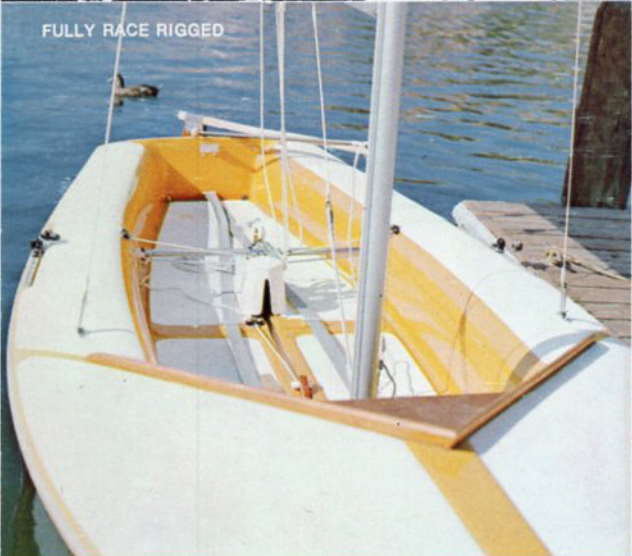

Coronado 15

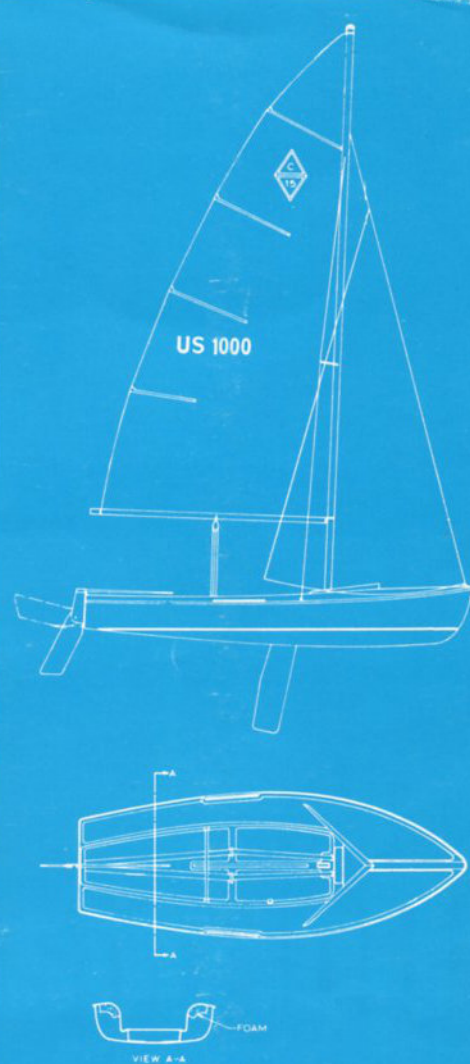

A way out way to sail....

FULLY RACE RIGGED

SELF RESCUE

proven performance & construction

PERFORMANCE The Coronado 15 is a high performance, strict one-design centerboarder that doubles as an exciting racing sloop and a comfortable family day sailer. Her speed is exceptional. She planes easily and is extremely responsive to all points of the wind. A trapeze is available for added ease in handling. The boat has been selected by many collegiate sailing teams and the military for world wide use.

SAFETY AND COMFORT The boat has a large completely self-bailing cockpit with storage in the foredeck for sailing gear and personal belongings. Two wide foam-filled tanks provide comfort, positive flotation and allows the boat to be self-rescued easily.

CONSTRUCTION The Coronado 15 is constructed of 100% hand-lay fiber glass for the ultimate in strength and ease in maintenance. Spars are of anodized aluminum and easy-to-maintain.

COLORS All hulls are white with molded-in waterlines. There is a choice of colored non-skid and colored decks.
